John Egloff Is Candidate For Sheriff's Office

JOHN A. EGLOFF

TO THE CITIZENS AND VOTERS, HANCOCK COUNTY, MISSISSIPPI

I take this means of submitting to you my candidacy for the office of Sheriff and Tax Collector. Having been solicited by many voters and taxpayers, I decided to be a candidate for this all important office; you having honored me by electing me to this office before in the primaries of 1943 and again in 1951.

In making my announcement, I am well aware of and experienced in the many duties and responsibilities that go with this office and I am confident if elected, I will be able to discharge the duties of this office capably and efficiently and to give the people of the County an efficient, honest and able administration as I have always done.

In my humble opinion, I believe that I have rendered that service in the Sheriff's office when I served you before for eight (8) years. I believe that my service met with the approval of the people by my giving my unselfish and undivided attention to that office and I expect to render that same courteous and efficient service if you again honor me.

I point to my record as Sheriff with pride and my cooperation and work with the Officers of the State Auditor; Motor Vehicle Commission; Public Safety Commission; State Tax Commission and the other law enforcement Officers also the Attorneys in the Court from 1944 to 1948 and 1952 to 1956 which is a testimonial to my service.

During my second term due to my efforts the two way radio system was installed. By this method the Sheriff and his Deputies are able to combat crime and give the people the protection

Blood Typing To Be At County Court House Monday, March 9th

Blood typing will be held at the Hancock County Court House Monday, March 9, from 8 a. m. to 5 p. m.

Mrs. Henry Prevou assisted by ten members of the American Legion Auxiliary will be at the Courthouse to assist in recruiting individuals for typing.

There will be no blood drawn on this day.

Hancock County residents are asked to have their blood typed as it is important and beneficial for individuals to know their blood type.

It not only facilitates means of emergency treatment in cases of accidents or serious illness, but may also mean the saving of a life.

It will take about five minutes to be typed, and there will no cost attached.

Individuals will be sent proper type identification as soon as they are obtained from the laboratory.

Miss Mary Isom, technician, will be in charge of typing.

Blood Bank To Hold Drawing, April 8th

The Hancock County Blood Board announced this week that a blood drawing is scheduled for April 8, from 2 p. m. to 7 p. m. at the Bay St. Louis Youth Center on Ulman Avenue.

Mrs. Mary Wright and four technicians from Oschner Foundation Hospital will handle the drawing.

which they are due day and night.

As to my personal background I would like to give the following short biographical sketch:

I am 53 years old and was born and reared in Hancock County. The son of the late F. H. Egloff and Marie Surcouf, who were likewise born and reared in this County.

In my early school days I attended the public schools and later attended St. Stanislaus where I was graduated as a member of the Class of 1926. In December 1932, I married Miss Marie Cuevas of Kiln and we are blessed with three children. Before I was elected to the Office of Sheriff and Tax Collector in 1953, I was connected with the Coast Electric Power Association for over six years. After leaving the Sheriff's office I served as deputy Sheriff until 1949 when I resigned to work with the United States Department of Commerce. Since serving my second term I have operated a filling station.

It is my desire to see every voter in the County personally before the primaries in August and I shall endeavor to do so; but I am taking this means of asking each and every voter to give my candidacy his or her earnest and careful consideration.

Respectfully yours,
JOHN A. EGLOFF.

CITY AWAITING STATE SHARE OF SCHOOL FUNDS

At a meeting in Jackson last Friday plans were submitted for the Bay St. Louis Separate School System expansion program.

Mayor John A. Scalfie, Commissioners Cyril Glover and Warren Traub, Superintendent of City Schools Joe D. McCulloch and Gulfport Architect Charles L. Proffer, met with the Educational Finance Commission to determine when the State's \$55,000 contribution toward this program could be expected.

Local officials were told the state would sell \$20,000,000 of bonds this month for various school projects; and the amount allocated for the program could be expected sometime between April 15 and the first part of May.

The plans, which call for a 16-classroom elementary school building to be erected on Dunbar Avenue, a four-classroom addition to Valena C. Jones School; and an addition to the kitchen and cafeteria at the Waveland school, will be built at a cost of \$240,000.

A school bond issue in the amount of \$185,000 was voted on and approved December 16, 1958, and \$55,000 will be contributed by the state for the expansion program.

Commissioner Glover said as soon as funds are received from the state, the city will advertise for contractors bids.

Four Youths Face Hearing For Theft Of Two Autos

TWO ACCIDENTS ON HIGHWAY 90

Two accidents late last Friday on U. S. Highway 90 near Biloxi and in Mississippi City caused property damage only, the Mississippi Highway Patrol station in Gulfport reported.

State Ptn. Irvin Rippey and R. E. Blackwell said cars driven by George W. Allen, 137 Beach Park, Long Beach, and by Lisset C. Shivers, 1213 Woodward Avenue, Gulfport, collided on Highway 90 east of the Church street junction in Mississippi City at 6:30 p. m.

Both cars were traveling west when the Allen car stopped for another car ahead and was struck in the rear by the Shivers auto, the patrolmen said.

Damage was estimated at \$75 to each vehicle.

Two cars and a truck collided on Highway 90 1 and one-fourth miles west of Biloxi at 3:30 p. m. when the two cars stopped for a school bus.

Ptn. Blackwell said cars driven by Bernie Jones, 142 A Cowan Road, Mississippi City, and by Ruth B. Latimer, 1009 38th Ave., Gulfport, were traveling west on Highway 90 and stopped for a school bus which was letting off youngsters.

A truck driven by Earl L. Lizana, 325 Sycamore St., Bay St. Louis, ran into the rear of the Latimer car and knocked it into the rear of the Jones auto, Blackwell said.

Slight damage to the Latimer car and Lizana truck was noted.

Waveland Resident Expires On Monday

Funeral services were held Tuesday, March 3, at 2 p. m. from the home of Tharp-Sonheimer Tharp, Inc., for Joseph George Hartman, of 8120 Simple St., New Orleans. Mr. Hartman, traffic manager for the Federal Barge Line, Inc., died Monday at the Hancock County Hospital at the age of 58. He had a home in Waveland on Sixth St.

He was connected with the barge line for 33 years and was a member of Paul M. Schneidau Lodge No. 391, F. & A. M. and the Grand Consistory of Louisiana.

Mr. Hartman was the son of the late Elizabeth Wingerter and Joseph Hartman.

Survivors include his wife, Hilda Churchill Hartman, two daughters Hilda J. Hartman and Mrs. J. R. Lawton, Jr., a brother, Emile W. Hartman and one sister, Mrs. Bernadine Bentel and four grandchildren.

TWO 15-YEAR-OLD BOYS PLACED IN COUNTY JAIL, ON BOND

Two 15-year-old Bay St. Louis boys were placed in Hancock County Jail Saturday, February 28 charged with car theft and were later released on \$500 bond.

Hancock County Sheriff Sylvan Lader said the automobile, a 1959 Oldsmobile, was reported stolen from the driveway at the home of Roland Tallac on U. S. Highway 90 in Bay St. Louis about 10:15 p. m. Friday.

The Sheriff notified the Mississippi Highway Patrol sub-station in Gulfport and a bulletin was broadcast to area law enforcement agencies. State Patrolman J. Y. Thomas, headed south on Highway 43, spotted the north-bound car near the Junction of Highway 90, turned his patrol car around and gave chase at speeds of over 100 miles per hour.

The stolen car was abandoned by the occupants after they spun it off the road and a rear tire blew out as the vehicle bounced over rough ground and pieces of concrete. They fled into nearby woods before they could be apprehended by the patrolman.

Shortly after, State Ptn. Joseph A. Pol and Leon Button arrived at the scene from Gulfport and State Ptn. Fred Melling and Woodrow Sumrall arrived from Picayune and a man hunt through the wooded area got under way.

Sheriff Lader and deputies Lathan Garriga, Carl Garcia and Gerald Favre arrived later and a call for bloodhounds was issued. Two bloodhounds in charge of handlers T. E. Middleton, Albert Bond and Marion Parker of the forestry commission were sent from the Mississippi Forestry Service at Saucier.

The search ended about 8:20 a. m. Saturday following a 15-mile tramp through the woods, when the youths were spotted by State Ptn. Leon Button about two miles northwest of Highway 43 and 90, headed towards Bay St. Louis.

When apprehended the boys told officers they had taken the car for a "joy ride" to Picayune, but planned to return it later.

The boys, former residents of New Orleans and Baton Rouge, will have a hearing before Judge Nelius Rhodes, Hancock County youth referee, Friday, March 13.

4-H Judging Teams To Be At Livestock Show

Hancock County will have a 4-H Senior and Junior Judging team at the annual South Mississippi Livestock Show and Rodeo to be held in Hattiesburg, March 19-19. John W. Smith, Assistant County Agent is supervising the team.

The main three day event for the livestock show will begin Monday, March 16 at the Elizabeth show grounds. The program will be highlighted by a beauty pageant and three rodeos.

Howard Simmons, County Agent said prior to District activities a parade, a horse show and a rodeo will take place Friday and Saturday, March 13 and 14.

Commenting on various phases of the show, Simmons said more than 35 girls from the 17-county district, of which Hancock is a member are expected to compete for the title of Queen of the South Mississippi Livestock Show and Rodeo. The Hancock County 4-H Clubs will have a queen as well as the Kiln and Sellers-FFA Chapters.

The winner will receive a \$250 scholarship to Miss Southern College. Wrist watches will be awarded the two alternates.

Final judging to select a queen will be held at 1 p. m. March 16. Prior to the pageant, the contestants will train March 6-7 at Southern's Charm School, under the direction of Mrs. Lena Y. Gough, dean of women. Mrs. Gloria Mauldin, Home Demonstration Agent, will chaperone the Hancock County queen.

Discussing the newly added horse show, which will be held at 7:30 p. m. March 13, the rodeo arena, Simmons said good participation is expected.

Scheduled to be shown are jumping, walking and pleasure driving, as well as work animals. Several points, harness races, and rodeo events will be shown.

Construction of the 18 room ranch school will commence early in the fall and will open its doors to its first students in September of next year.

Four Fifteen-Year-Old Youths Apprehended In Youth Court Hearing

Judge Nelius Rhodes, Hancock County Youth Court Referee, Tuesday, March 3, heard the case of two 15-year-old boys who stole a 1959 Oldsmobile from the home of Roland Tallac on U. S. Highway 90 and the other two youths who stole the car from the Gulf Chevrolet lot.

The youths who stole the 1959 Oldsmobile were apprehended Saturday, Feb. 28 after being spotted by Highway Patrolmen near the Santa Rosa Community.

The officer said the youths who admitted taking the car from the Chevrolet lot stated one of the boys involved in the theft of the Tallac car, was with them when they later picked up another 15-year old at the Youth Center. They confessed to driving the boys to the Tallac residence.

The teenagers who stole the 1959 Oldsmobile said they siphoned gas from trucks at the Bay-Ready Mix yard in order to get to New Orleans. They remained in New Orleans Friday night and returned Saturday. One of the boys returned to New Orleans Saturday and abandoned the vehicle. He was apprehended Sunday by Deputy Lathan Garriga as he stepped off the bus here. The other youth involved was apprehended at his home by Garriga and after questioning by Sheriff Lader, Deputy Garriga and City Police Arthur Garcia, both admitted taking the car and gas and driving the other boys to Tallac's to get the car which was taken from there.

The Sheriff said, when apprehended, the boy who abandoned the vehicle in Louisiana was found to have a set of keys which fit the 1955 Oldsmobile. The key also fit locks of various other cars, he added. Other keys in his possession were said to have been taken from a 1955 Fairlane on Bay Motors lot several days ago.

When stolen from the Chevrolet lot the 1955 Oldsmobile had an expired Louisiana tag; when found by Jefferson Parish Police it had a 1959 Louisiana tag, which was reported stolen. The youths were arrested and later released on \$500 bond, pending a hearing in Youth court, March 13.

Proceeds From Carnival Ball Nets \$2000.00

A report given at the St. Joseph Academy Parents Club meeting Tuesday afternoon showed the net proceeds of the Carnival Ball amounted to approximately \$2,000.

The meeting was presided over by Mrs. James DeBlanc in the absence of Mrs. Lawrence Jacob, president, who was ill.

The rummage sale, which is being held this Thursday, Friday and Saturday, was discussed. It was agreed by the group to send a donation to the American Red Cross for their annual fund drive.

The entrance prize was won by Mrs. Cornelius Herlihy and Mrs. John Joyce's Kindergarten class had the highest room count.

To Compete In Contest

Mrs. Gloria Clay Mauldin, Hancock County Home Demonstration Agent, and Miss Myrna Quarterman, Bay High School Junior, left today for Hattiesburg. They will attend a preliminary training meeting for all contestants for Queen of the District Live Stock Show to be held March 16 and 17 at Hattiesburg.

Miss Quarterman was selected as contestant from this County by County 4-H members.

The Queen for the event is judged on three counts: beauty, poise and talent. Miss Quarterman was chosen Hancock County Forestry Queen and District Forestry Queen for 1959.

Large Gathering At Loyalty Dinner Sunday

The Loyalty Dinner, held in connection with the School Building Fund Campaign, of Our Lady of the Gulf Parish took place last Sunday night, March 1st, in the dining room of St. Stanislaus College. The dinner was attended by over 600 people. His Excellency, Most Reverend R. O. Gerow, Bishop of the Gulf, gave the invocation and presided at the dinner. All who were present at the dinner met at St. Stanislaus gymnasium afterwards. Mr. Edmund Brignone, General Chairman of the campaign, was master of ceremonies, and introduced the speakers for the program and other guests. Bishop Gerow, in addressing those present, stressed the growing need for Christian education in our times, and encouraged the people to make sacrifices in order to make this Parish School possible. He also stressed the importance and the necessity of having professional help in order to secure success in raising the necessary funds. Short talks on the religious aspects of the canvass were given by Messrs. Robert Campbell, Warren Carver, Charles Gottschall, William Johnson, and Geo. Souzanne. The concluding address was given by Right Rev. Monsignor Martin Moloney, Pastor of Our Lady of the Gulf Church. Many priests from the neighboring parishes, and the Brothers of the Sacred Heart, were present.

The intensive phase of the School Building Fund Campaign is underway Wednesday, March 4th, when about 100 canvassers will visit the homes of, and solicit pledges from, about 1000 families. The solicitation will be finished on Wednesday, March 18.

The goal of this every-family canvass is in excess of \$200,000, payable in weekly pledges over a period of 104 weeks.

Construction of the 18 room ranch school will commence early in the fall and will open its doors to its first students in September of next year.

Virtual emphasis rally will be conducted by the First Baptist Church on Friday, March 13th, 8:00 p. m.

An outstanding speaker is included in the program. Dr. Claude Rhea, who is Associate Pastor of Music in the New Orleans Baptist Theological Seminary, will also present special music.

WAVELAND WANDERINGS
 by **GEORGETTE B. HALL**

A cordial welcome to Waveland is extended to the following folks who are now or soon will be permanent residents of our town.

Mr. and Mrs. M. L. Queen of New Orleans have purchased the home on Nicholson Avenue. Mr. and Mrs. Riggs formerly of Texas have purchased a home on Gordon Street.

Mr. and Mrs. H. J. Hart are now located in their home on Lakewood Drive. Congratulations are extended to them upon the birth of their new son, who has been named Kregg.

Mr. and Mrs. Roger Bordages had as their guests on Sunday, Mr. and Mrs. Pritchett of Moss Point.

Latest news from Waveland's Roller Rink is that the rink will be open to the public during the Easter week-end or perhaps sooner, if the weather continues to be good and work can progress. The Guenards are fairly certain that skating can begin in their new rink at the end of this month. From the many phone calls the Guenards have been receiving, the new rink will be the center of attraction in this area for a long time. Much credit is due Mr. and Mrs. Hamilton Guenard, Jr. for their interest in providing a wholesome place for youth to spend their leisure. Hearty and sincere wishes for

Southern Bell T & T Continuing \$250 Million Building Program

Southern Bell Telephone Company in 1958 backed up its confidence in the continuing economic growth of the South by building \$25 million in new facilities, the company's Annual Report received in Gulfport revealed.

The number of telephones in the nine states served by Southern Bell increased by 445,000 and stood at 6,275,000 at year end. Demand for the convenience of the "extension" telephone around the house was the highest ever, with 183,000 of them installed in residences during the 12 months.

Southerners using Southern Bell telephones made more calls daily—40 million—and placed more long distance calls daily—over 800,000—than in any previous year.

To house new equipment, the company constructed 101 new buildings in the South and additions to 40 existing buildings.

Southern Bell's Annual Report revealing these and other facts was released in Gulfport by J. C. Dabney, of the Telephone Company. President Ben S. Gilmer made the report for the company, which serves Bay St. Louis and 159 other exchanges in Mississippi.

In Mississippi, the report showed that there were 4,328 employees with an annual payroll of \$18,000,000. During 1958, more than \$10,937,000 was paid out in federal, state and local taxes. The greatest telephone growth in any single year in Mississippi was reflected during 1958. 32,000 telephones were installed. 7,000 of these were on the farms. Southern Bell invested approximately \$15 million in new facilities in Mississippi during the past 10 years.

During 1958, the Greenwood exchange was converted to dial operation, a new plant work center was installed in Jackson, the new Drake office was completed. In South Jackson, the building for the new electronic center was completed, plans were consolidated for converting Vicksburg to dial with a start-work date of January 1959.

Emphasis on expanding and improving telephone service in the rural areas was accelerated. Operators now dial about 70 per cent of all long distance calls directly to the called city, and customers in 12 exchanges are now able to dial their own long distance station-to-station calls to more than 45 million telephones in as many as 500 cities.

More than half of the company's customers now have one-party or individual line telephone service, with one in five having four-party service. Ten years ago, while the company was striving to meet exploded postwar demand, only 18 percent had one-party service and 448 percent had four-party telephones.

Southern Bell paid nearly \$158 million in federal, state and local taxes: \$22 1/4 million more than for 1957. In addition the 10% federal excise tax on telephone service—telephone service—paid by customers—amounted to \$40 million. Total taxes amounted to \$222 1/4 million for 1958. The report described the 10% excise tax as "an unnecessary burden on telephone customers which should be repealed." The telephone is the only essential household utility which bears such

GIRL SCOUTS

Girl Scout News will come to you in this column in the future, we hope. This will be news of our Bay St. Louis Neighborhood only.

On Sunday, March 8, we begin Girl Scout Week. On this Sunday all Brownies, Girl Scouts and their leaders attend the church of their choice. Please wear your uniform proudly on this very special day.

On Saturday, March 7th, Girl Scout cookies go on sale. Please folks help our girls to make a success of our cookie sale.

Watch for Girl Scout and Brownie exhibits during Girl Scout Week in the windows of our leading merchants.

Overall chairman and co-chairman of Girl Scout cookies sales are: Mrs. Herbert D. Finlay and Curtis Matherne.

First Aid Classes for all girls working on first aid badges will be held at Our Lady of the Gulf Parish House starting on Friday, March 6th, at 3:30 p. m. Mrs. Olo Mollere and Mrs. Charles Gottschalk will give the course. Girls be sure to bring your note book and pencil!

On Monday, March 2nd, Brownie Troop 100, enjoyed a cookout on the beach at Clermont Harbor. Mrs. Birch Bankston and Mrs. Price Western are troop leaders.

Intermediate Troop 61 celebrated their 5th birthday on Monday, Feb. 23rd, at the scout house at Our Lady of the Gulf. Games were played by the troop. Punch and cake were served. A beautiful birthday cake with the traditional candles was the admiration of all. Happy birthday to Troop 61 from all of us in scouting.

Girls of Troop 4, Mrs. Martin, leader, visited the fabulous Hecht Japanese Gardens at Pass Christian, a real Japanese house completely furnished was thoroughly enjoyed by the girls as were the pagodas, bridges, porcelain tables and stools in the gardens. The wishing well attracted a lot of attention with each girl in turn throwing in her penny and making a wish. A giant Buddha raised on a hill overlooking the entire garden. Facing due East in accordance with Buddhist custom. A doll show and heirloom exhibit was then visited by the girls at the Episcopal Church annex. Dolls displayed were all beautiful. Some were over one hundred years old. Some were hand carved and then hand painted. Doll furniture over a century old was another attraction. Quilts and Glnaw one hundred years old and some older was the wonder of the day. "How can anyone keep anything so long?" Ladies accompanying the girls were Mesdames John McDonald, Birch Bankston, Leroy Luke, Owen Jessup and Maurice A. Martin.

Piji White of Troop 4 will take the part of Jane in "Speaking of Murder" which plays at the Little Theatre, this weekend.

We are sorry to hear that Arthur Chapman is ill, however, latest reports are to the effect that he is improving.

The Fourth Degree Assembly meets every fourth Tuesday night of the month. Their next meeting will be on March 24th at the K of C home.

Ed Murtagh, vice chairman of the Blood Bank, announces that there will be a Blood Typing at the Courthouse on Monday, March 9th beginning at 8:00 o'clock.

Congratulations to Mr. and Mrs. Theo Tudury, Sr. who celebrated their 41st wedding anniversary on the 27th of February. We sincerely wish you many, many more happy years.

Our best wishes to Raymond Bienvenu in his new endeavor. Raymond is offering a unique plan for party fishing and can accommodate four to the party any day. He states that any type of fishing can be planned for your convenience. For full details you may call him at HO-7-6190.

Happy birthday to Leroy Luke on March 9th. Leroy was born in 1920.

Attend Fashion Demonstration

Mrs. Gloria Clay Mauldin and 11 members of the Bay-Waveland and Clermont Harbor Home Demonstration Clubs attended a fashion demonstration last Friday afternoon at the Gulfport East Ward School auditorium.

Mrs. Janie Scott, fashion authority from the Simplicity Pattern Company, spoke to club members on styles, colors and fabrics best suited to a woman's needs and personality.

Mrs. Scott, a fashion stylist for 18 years, was introduced by Harrison County Demonstration Agent Miss Willena Ratcliff. Mrs. Scott modeled some of her accessories and sewing hints.

The business session was followed by a social hour with approximately 105 members and guests from Harrison, Hancock, Jackson and Greene Counties in attendance.

The next regular meeting of the Council will be on March 16. Last week's photo was 4th De-

Excise Tax

The company's bill for employee wages and related costs totaled \$288 million. The company has 65,300 employees in the nine states.

The report emphasized the effect of higher costs of providing telephone service and the need for better earnings. The company's 53 1/2% earnings realized in 1958 on the original cost of its property was "less than they should be if we are to plan and build for the future and be able to do those things which prove most beneficial to our customers in the long run."

W. S. C. S. Meets At Mrs McDonald's Home

The Afternoon Circle of the Woman's Society of Christian Service, Main Street Methodist Church met in the home of Mrs. C. C. McDonald, Sr., on Tuesday, Feb. 24. Mrs. Nellie Nelson presided over the business session and Mrs. C. M. Shipp led the opening prayer.

The meeting of the Annual Conference W. S. C. S. in Biloxi First Methodist Church, March 8, and 10th was announced and urged to attend as much as possible. Mrs. C. A. Miller of Tyler, Texas, was introduced as a visitor.

Mrs. C. C. McDonald led in the second session of the current study on The Middle East, introducing Mrs. C. C. McDonald, Jr. who talked on the Islam religion. Mrs. Smith reported on Egypt and Mrs. C. M. Shipp Pakistan.

Mrs. Nelson closed with prayer and a social hour followed which included a surprise birthday party for Mrs. W. A. McDonald, Sr. who is a member of the circle and has reached her 65th birthday.

There were twenty-three present including the visitors.

The March meeting will be held in the home of Mrs. Ed Phillips.

Auxiliary News

The charming picture of last week was noted when Mrs. Lillian Green, Vice-President of the P. O. L. Ladies Auxiliary, she was identified last by Mrs. William Davidson.

Please get pictures to Mrs. Bradford or Mrs. George Feltman early in the week in order that they will be received in time for publication.

Don't forget our membership drive. We hope to have many new members before initiation early in April.

Birthday wishes are extended to Michael Ryan, son of Mr. and Mrs. James Ryan. Mike celebrated his 9th birthday on Monday of this week.

NEW \$40 MILLION AIR
HONORS MEMORY OF
WASHINGTON

The new McCain Naval
Air Station now is
larger than the city and
covers an area exceeding
square miles. Representing
more than twice as
Meridian's new \$40-million
Auxiliary Air Station now

construction some 14 miles from
of that city, is of considerable
importance to the entire state of
Mississippi. Aside from its econ-
omic, military and prestige value,
the new installation perpetuates
the memory of a truly great
Mississippian, the flying Missis-
sippi admiral, the late John S. Mc-
Cain.

ONLY YOU CAN PREVENT WOODS FIRES!

Don't burn leaves or brush on a windy day. It's dangerous. Every year thousands of brush and trash fires get out of control and spread to green and growing forests. These forests are valuable. When they burn, it costs every body money—including you. Prevent woods fires.

CHICAGO BRIDGE AND IRON WORKS - WATERSPHERES

On motion of Supervisor Hubbard seconded by Supervisor and unanimously agreed by the Board, the Clerk of the Board be authorized and directed to pay to Chicago Bridge and Iron Works out of the Hospital Water Fund in the amount of twenty seven thousand, seven hundred and twenty-two (27,722.00), for one (1) million gallon Watersphere, constructed by Chicago Bridge and Iron Company for the Hancock County Hospital.

It is further Ordered by the Board that the amount of Three thousand, eight hundred and eighty-eight (3,888.00) of the actual amount due on completion of the 10,000 gallon Watersphere, be paid to Chicago Bridge and Iron Company.

RESOLUTION - GAS & OIL

Resolution of the Board of Supervisors of Hancock County, Miss.: Whereas, there is pending before the Mississippi State Oil and Gas Board, by its Rules and Regulations as to state-wide spacing for oil and gas wells of 10,000 feet depth and greater; and WHEREAS, the motion itself is vague, ambiguous, and does not particularize the proposed changes; and Whereas, this Board of Supervisors and the citizens whom the member respectively represent are seriously concerned over the prospect of making any change whatever in Rule 7, Rule 8 and 9 of the Rules of Order and procedure for Hearing Before the Board; and Whereas, the Mississippi State Oil and Gas Board, by virtue of the aforesaid Rule 8, is already empowered to "make exceptions to spacing lines 7 and 8 upon proper showing; and Whereas, the public interest of this County will be vitally affected by any change from present spacing to units greater than now are provided; and this County's own future fiscal position would be directly affected for the reason, among others, that future severance tax payments would substantially be lessened; and Whereas, this Board, after conferences with competent geologists and conservationists, is reliably informed that any state-wide increase in the spacing area at this time would be contrary to sound conservation, against the public interests, and inimical to the welfare of the people as a whole and of Hancock County in particular; and Whereas, this Board plans to co-operate with other interested parties and Board of Supervisors in opposing any change of present spacing and is confident that, given sufficient time, it can be conclusively shown to the Mississippi State Oil and Gas Board that no change is necessary or advisable;

38), payable to Peneguy, Reuter and Associates out of the Hospital Water Works Fund for completed plans, specifications and supervision of work on elevated water tank, water well and pumping system for the Hancock County Hospital.

49TH ANNIVERSARY OF BOY SCOUTS

Boy Scout Week, February 7-13 was an occasion marking the 49th anniversary of this splendid youth organization which has touched the lives of more than 28,500,000 Americans during the past half-century. Today there are over 4,780,000 boys and leaders active in Scouting, expanding its wholesome influence and promoting the highest ideals of service, self-reliance and co-operative effort. It is a program of which the entire nation can be proud. Good citizenship is one of its basic objectives.

TUNG FARMERS HURRY CROPS BEFORE RAINS

Mississippi's tung nut farmers hurried this week to gather the remaining 15 per cent of their crops before the spring rains and sprouting grass made conditions difficult. 17,700 farm workers earned an average of \$12.00 at the rate of 12 cents of tung nuts. Off in the tung grove, hauled because of the housing.

SIMPSON FARMERS MIDAS TOUCH

People are turning in Simpson County, the fastest growing portion of the nation with broilers, commercial hatching eggs supplying million dollars farm ly. The success of the over-all business of the county. Growing chicken business, to grow broilers or eggs, requires amount of credit and other lending and supplying the need both feed dealers and farmers.

STANDARDS IN SHOPPING

Remember when we used to go to the store and ask for a "dime's worth of cheese and crackers?" Sometimes you got enough for a meal. Other times you got much less. It depended on who was doing the weighing or measuring, didn't it?

It's very seldom now that we ask for a "dime's worth" or a "quarter's worth" of anything. We have come to buy by weights and measures. Weights and measures are terms and can mean more to us as we buy.

A pound should be a pound. It shouldn't vary. Do you always match any weighing or measuring to prevent errors that could cost you money? It often pays.

Do you recognize standards? Standards simplify the number of items in articles. For example, there are standards for sheets for our beds. It would be very difficult to choose the correct sheet if there were dozens of sizes to choose from and if each manufacturer set his own standard.

Standards help a consumer know what a product is. The U. S. Pharmacopoeia has set a formula for aspirin. All aspirin is made by the same formula. This is quite a help in comparing costs of various brands.

Standards set requirements for safety. The U. S. Seal of Underwriters' Laboratories indicate safety for electric, automotive, fire prevention, gas, and oil appliances bearing the seal.

There are many other standards set up for your protection and convenience. Ask your Home Demonstration Agent to tell you about more of these.

HEART DISEASE
Heart disease was the cause of more deaths in Mississippi in 1957 than any other cause. Nearly one out of every three of all the people who died, died as a result of heart trouble.

The majority of these were men! You, as a wife, and home-maker have a responsibility to your husband, your children and yourself to help protect the health of your family. The American Heart Association says you can help guard your husband against heart attack by:

1. Persuade him to stop worrying about "symptoms" that may or may not indicate heart disease. Clear away all doubts by having him consult a doctor.
2. See to it that he gets plenty of rest to ease the workload on his heart.
3. Serve food that gives proper nourishment without adding excess weight.
4. Encourage him to exercise regularly and moderately so he keeps physically fit.
5. Get him to get away from his work for short periods and to leave it at the office or on the farm.
6. Help him to avoid tensions and anxieties, and as much as possible, let him enjoy peace of mind.

FITZHUGH LEE URGES TAKING OF SOIL SAMPLES AT THIS TIME

Fitzhugh Lee, Chairman of Hancock County ASC County Committee, reminds farmers this is the season of the year when they should be taking soil samples from fields they plan to establish to new pastures or pastures that need additional fertilizer.

These samples should be submitted to the Soils Laboratory, State College, Miss., as soon as possible so that analysis information will be available for spring applications of fertilizer and seed.

Mr. Lee points out that under the Agricultural Conservation Program there are standard rates for applying the exact soil conditions of a particular farm or individual field.

Accordingly, agricultural workers recommend that farmers take samples of soil from fields they intend to establish to new pastures and submit them to Soils Laboratory, State College, Miss., for analysis.

After an approved analysis is filed with the ASC county committee, the recommendations on this analysis will be followed in approving lime and fertilizers instead of the standard requirement. Mr. Lee emphasizes that an accurate analysis of a sample from the field where the conservation practice will be carried out is the only exact way of knowing the needed amounts of lime and fertilizer. Under normal conditions there will be about two or three weeks delay between the date that samples are submitted to State College and the date the analysis is received.

Howard Simmons, Hancock County Agent, has containers for the samples together with instructions for taking and submitting samples to the Soils Laboratory. Therefore, those farmers who plan to take samples should contact the county agent for detailed instructions.

Secretary of State Heber Ladner, left, wears in Mississippi Forestry Commission members Henry V. Pickle, Ackerman; W. D. Myers, Philadelphia and James B. Clark, the vacancy created by the recent death of Mr. E. B. Creekmore, Calhoun City. Messrs. Crosby, Myers and Clark were appointed to new terms. Mr. Crosby, a Greenville realtor, has served one term, being first appointed in 1954. Mr. Myers, a Philadelphia lumberman, has served three terms, being first appointed in 1946. Mr. Clark who currently serves the Commission as vice-chairman was reappointed for his third term. He has served continuously since his first appointment in 1949.

CONGRESSIONAL SIDELIGHTS

CONGRESSMAN WIL. M. COLLIER

COTTON

With the approach of cotton planting time it might be well for those who are concerned with the continued trend of smaller allotment agricultural product in Mississippi to consider the advice given the farmers of his District by my able Colleague, Congressman Thomas Abernathy, of the First Mississippi Congressional District. The Northeast Mississippi Congressman is a Member of the House Committee on Agriculture. As such, he is thoroughly conversant with the agricultural situation not only in Mississippi, but throughout the Nation.

As if in answer to those who contend that the South is being discriminated against in the matter of cotton acreage allotments, he says:

"The last free planting year was 1953. In 1954 when production controls were invoked by farmer referendum, Mississippi acreage was reduced to 78 per cent of its 1953 plantings, whereas California was reduced to 69 per cent. For this year Mississippi is down to 60 per cent but California is down to 55 per cent. So, California's cuts have been much deeper than ours.

Over the control years, the South has lost a small portion of its advantage but such was not the fault of the control law. It was brought about by our failure to plant our full allotments and thereby maintain our full history. During the Soil Bank (Acreage Reserve) years, this did not happen because the Soil Bank law specifically took care of the history. But in previous control years—1954 through 1958—there was heavy underplanting throughout the South. For instance, in our own Congressional District, we underplanted our allotments by almost 25,000 acres each year. Think of it. We proportionately lost our history which is the basis for allotments to our farms, counties and State. This did not happen in the West because they saw to it that almost every allotted acre was planted. Why can't we do the same thing?"

"This year we are confronted again with the prospect of heavy underplanting. The Soil Bank was designed to get many of our people off the land and out of farming business. Many who participated in the Soil Bank program in 1957 and 1958 have found other employment and others are without labor. There is prospect of their average lying out. If it does, everyone will be damaged and the South will take another step toward getting out of the cotton business.

"How can this be avoided? The answer is simple. Farmers with allotments who do not intend to plant should go by the ASC of rice and surrender them for reallocation in the county. To do so will not reduce their own allotments next year and everyone will be helped."

While there is unquestionably a trend in South Mississippi to convert from cotton to other agricultural pursuits and industrialization of our section, I am sure that we can all agree that the advice of our Colleague is sound.
